Dear Sir:

Testimonial – Dan Boyer

We have had the opportunity to have Dan Boyer present on more than one occasion to discuss transportation regulations and requirements for both Canada and the US. Dan is very knowledgeable and always up to date on industry legislations and engages our personnel during his presentations. He provides all of the documentation required and tailors it to our company's needs.

We are confident in our decision in selecting Dan and B.D.R. Consulting Inc for their services.
